2017 Scott County School District 1 Annual Performance Report (APR)

General Explanations

The APR is a report on the performance of schools and school corporations (districts) in your area. The goal is to provide information regarding the progress schools are making to help students become college-and-career ready. Where possible, this report contains three years of data to show trends - not just this year's results. In addition, the State Average is also shown for comparison purposes. There are additional indicators that are available on the Indiana Department of Education's Web site (compass.doe.in.gov), including data broken out by different student subgroups, such as race, gender, income level and special education.

The data in this report have been supplied by the Indiana Department of Education and local school corporations. The report provides the most recent data available.

Indiana educators and citizens have developed higher academic standards for all students. These standards are necessary to prepare Indiana students to be successful in life, whether they go directly to higher education or to the workplace. The scores for ISTEP+ are listed under each school to reflect student progress toward those standards. **Note: In 2014-15 Indiana transitioned to a new, more rigorous college-and-career ready standards and a new statewide assessment to measure these standards. Therefore ISTEP results are not comparable to previous data.** For high schools, you also will see graduation rates and the percentage of graduates who plan to go on to college.

Other important data are provided, such as average attendance rates and indicators of school safety, including expulsions and suspensions. Also included is information about your school corporation, such as how much is spent, on average, for each student; how much teachers are paid; and the percentage of corporation students who are in special education classes or gifted and talented classes.

Definitions (in the order found on the report)

Corporation Level & General School Data

A-F Accountability Grade Grade calculated by the IDOE per 511 IAC 6.2-6 and officially assigned by the State Board of Education. For 2014-15, Schools and Corporations were assigned the better of their 2013-14 grade or the 2014-15 calculated grade. For 2015-16 and forward, Schools and Corporations were assigned grades using the New Student Centered Accountability Model.

Student Enrollment Number of students enrolled on October 1 of the school year. Note: Counts for Membership purposes are taken on a different day and may differ.

Non-Waiver Grad Rate The percentage of students who graduated by their expected four year graduate year without a waiver

College and Career Readiness Rate The percentage of four year graduates who passed an Advanced Placement test, passed an International Baccalaureate test, received 3 hours of Dual Credit, or received an Industry Certification. **Note: These data are not available for the 2018 cohort at time of publication.**

Career and Technical Diplomas: Core 40 with Technical Honors Diplomas

Certified Teachers Teachers certified to teach as reported by School Corporation (includes guidance counselors and other non-Administrator staff)

Teacher Salary Range Salary range is calculated by reviewing the salaries for teachers as provided by the School Corporation. Teachers must be reported at 100% for 180-195 days

Students in Special Education Students (including non-public Students) who are receiving special education services

Students in Gifted and Talented Education Percentage of students enrolled in gifted and talented education programs as defined locally

Percent of Instruction Delivered Through Vocational Education Percentage of total instructional hours delivered through vocational education classes

Students Receiving Free or Reduced Price Lunches Students who receive free or reduced price lunches due to family income level

Limited English Proficiency Students Students whose inability to communicate English prevents them from participating fully in a standard educational program

Alternative Education Students enrolled and receiving instruction for at least 10 days in an approved alternative education program

Intra District Mobility Percentage of students who moved from one school to another in the same school corporation

Inter District Mobility Percentage of student who moved from one school to another in a different school corporation

Pupil Enrollment to Certified Employee Ratio Number of Students per Certified Employees as reported by the School Corporation

Attendance Rate Average attendance rate for students

Contact: If you have any questions about this information, you should contact your local school corporation or the Department of Education.
